

USE OF ACCREDITATION & SEC CERTIFICATION LOGO

1.0 Authorization and Usage

- 1.1 The SE Certification International Sdn. Bhd. (SEC) SEC certification logo is exclusively granted to organizations that have achieved certification through SEC's auditing and registration process.
- 1.2 The SEC certification logo can be applied to stationery and promotional materials related to the certified organization's scope of registration. This includes brochures, product cards, walls, exhibition stands, advertisements, and other relevant materials. It may also extend to items such as organization flags and vehicles.
- 1.3 The SEC certification logo shall not be directly applied to products or packaging including primary and secondary packaging, implying individual product approval. The SEC certification logo is also prohibited from being present on laboratory test, calibration, or inspection reports.

2.0 SEC certification logo Application and Representation

- 2.1 Organizations certified under JSM accreditation may utilize the JSM accreditation Mark in conjunction with SEC certification logo for the appropriate management system standard(s).
- 2.2 Whenever the SEC certification logo is used, the certification registration number must be clearly displayed alongside it.
- 2.3 The SEC certification logo may only be reproduced in a single color, preferably matching the existing pre-printed materials of the certified organization. The certification registration number should also be distinctly indicated.
- 2.4 The SEC certification logo should be used in representational forms as provided in the **Refer to Appendix 1**.
- 2.5 The client is responsible for ensuring that any third-party promotion of its certificate adheres to the conditions specified in this document.

3.0 Promotion and Representation

- 3.1 When promoting its certification, the client must explicitly state the specific standard, including the year to which their registration pertains (e.g., MS 1480 : 2019, ISO 9001:2015 or ISO 14001:2015, as appropriate).
- 3.2 The client is entitled to include a statement on product packaging or accompanying

information, indicating its certified management system. This statement shall include:

- a. The certified client's brand name or company name
- b. The type of management system and the relevant standard
- c. The name of the certification body that issued the certificate
- d. An example of an acceptable statement: "Manufactured at plant of ABC SDN. BHD. whose HACCP system is certified to MS 1480:2019 by SE Certification International Sdn. Bhd."

4.0 Suspension, Expiration and Withdrawal

- 4.1 During a suspension period, the client's management system certificate becomes temporarily invalid, and all promotion related to its certification must cease. Failure to comply with these requirements may result in withdrawal of certification.
- 4.2 SEC shall suspend the certification of the client in cases when:
 - a. The client's certified management system has persistently or seriously failed to meet certification standard requirements, including requirements for the effectiveness of the management system.
 - b. The certified client does not allow surveillance or re-assessment to be conducted at the required frequencies.
 - c. The certified client has voluntarily requested suspension with a formal letter to SEC.

Note: The client whose certification is suspended is required to take the necessary corrective action before the end of the suspension period of 90 days. Failure to resolve the issued satisfactory will result in withdrawal of certification.
- 4.3 The client may appeal if it is dissatisfied with the decision to suspend or withdraw the certificate.
- 4.4 Upon expiration or withdrawal of certification, the certified organization is strictly prohibited from further usage of the SEC certification logo.
